

Momentum GF Global Sustainable Equity Fund

A dynamically managed global equity strategy that blends active management with passive pricing. Responsible investment is at the heart of the strategy combining Environment, Social and Governance (ESG) scoring with strong stewardship credentials.

Developed in **strategic partnership with Robeco**, a world class ESG quantitative investment specialist, the Momentum GF Global Sustainable Equity Fund (the Fund) is positioned to **outperform the MSCI World Index (the benchmark) over a rolling 3-year period**.

The Fund provides the benefits of active management while maintaining a competitive passive-like cost, with an **ongoing charges figure (OCF) of 0.53%***

Seeking to deliver stable long-term outperformance against its benchmark index, the Fund's **multi-factor approach offers diversification and balanced style exposure** to:

*As at 30 April 2024

- » Designed to capture the market return and, in addition, benefit from well-rewarded factor premiums while avoiding non-rewarded risks
- » Higher allocations than the benchmark to stocks with attractive characteristics
- » This systematic approach aims to deliver stable outperformance after costs compared to capitalization weighted market indices, with a low tracking error
- » Factors tested over time and used since inception of the enhanced index strategy in 2004

» Sector exclusions:

* No exposure to businesses deriving significant revenue from controversial areas. Revenue threshold for exclusion varies per activity but is 10% or less for all listed areas.
